Dear Mr Wright

Groundwater Extraction Tamborine Mountain

I refer to your letter dated 10 July 2014 concerning the extraction of water on Tamborine Mountain and note your comments in regard the issues as you see them.

Council takes seriously its responsibilities in regard to compliance of development approvals or businesses operating without approvals as well as managing all the other aspects of Council operations.

In regard the issue of groundwater extraction, Council will continue to manage this matter as it determines is in the best interest of the local community.

Yours faithfully
